

JOIN A DISCUSSION GROUP DURING LENT

Through Lent and Easter, Pastor Bill is sharing a sermon series using scripture from the Book of Mark. *You're Not Far*, based on a series by Andy Stanley, will help us consider one big idea: "the kingdom of God is near, and everyone is invited to participate." To help us dig deeper, small groups are being formed –via video conferencing, email or on Facebook. The scripture will be shared and thought-provoking questions discussed. By interacting with others, we challenge each other, learn from one another and become stronger in our faith as followers of Christ. We invite you to find a group to connect with during the season of Lent. Below are a list of current groups available to join. The discussions will begin the week of February 15, but you can join in on any week as each week delves into a different scripture and topic.
